SYNERGY FAMILY

Since our formation in 1998, the Board of Directors of Synergy Bancshares has built Synergy Bank on a strategic pillar of unwavering customer service. We recognize our success is inseparably linked to fulfilling the needs of our customers. By providing a broad array of banking and financial services while leveraging a deep understanding of our local markets, we have enabled businesses to thrive; helped our friends and neighbors realize their financial goals; and given back to our community through our numerous philanthropic and civic endeavors. The success of this strategy is greatly attributable to our employees. They form the character of our bank and connect with customers to develop strong lasting relationships that allow us to adapt to changes in the economy while steadily growing the organization.

At the end of 2018, our consolidated assets equaled \$514,499,277. Through earnings, our shareholders' equity strengthened to \$63,897,344, representing 12.4% of total assets. We remain focused on growing our shareholders' value through sound and disciplined decisions. As the economy in our region slowly recovers, coupled with the provisions we imposed in previous years to allow for loan losses, we are pleased to report 2018 net earnings of \$5,425,056 or \$5.83 per share. These earnings increased the book value of our stock to \$68.67 per share, an increase of \$4.67 from a year earlier.

Net loans totaled \$341,406,996 at the end of 2018 funded by deposits of \$448,997,613. We remain committed to meeting the credit needs of individuals and businesses within our community. On the deposit side, we continue to provide outstanding products and services that adapt to meet the financial needs of our customers. In the first quarter of 2018, we launched the new Synergy Select Checking account and introduced the add-on product, the Perk Club. Synergy Select is a premium checking account that offers benefits such as credit monitoring, accidental death and dismemberment insurance and cell phone protection. The Perk Club replaced our SWELL plan and now offers identity protection, cell phone protection and health savings to customers. We believe these new products will allow for further opportunities for growth and new account acquisition going forward.

As we look to 2019 and the 20th Anniversary of our opening, we remain resolute in fulfilling our mission of growing our bank and our community. Our consistent discipline and steadfast dedication to service allows us to be a better bank stimulating positive change in our community now and well into our future. •

our

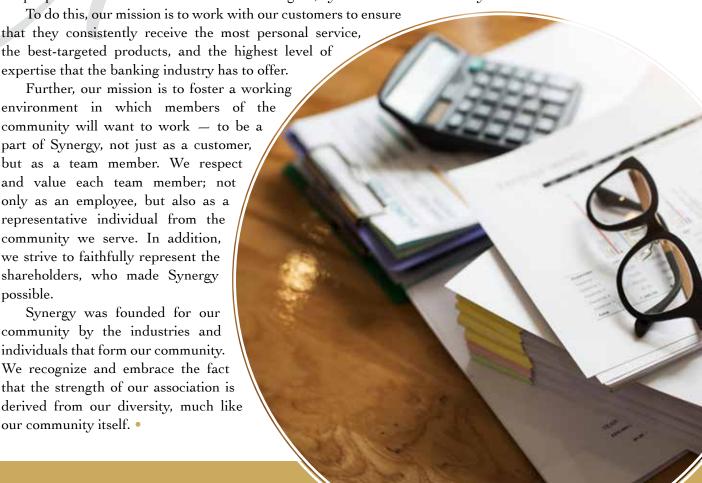

MISSION

t Synergy Bank, we believe that there is strength in community. We are deeply committed to fostering the growth, development and prosperity of our area. Synergy Bank was formed specifically to address the unique needs of the people we serve — with the vision of banking for, by and with the community.

the best-targeted products, and the highest level of expertise that the banking industry has to offer. Further, our mission is to foster a working environment in which members of the community will want to work - to be a part of Synergy, not just as a customer, but as a team member. We respect and value each team member; not only as an employee, but also as a representative individual from the community we serve. In addition,

possible. Synergy was founded for our community by the industries and individuals that form our community. We recognize and embrace the fact that the strength of our association is derived from our diversity, much like our community itself.

we strive to faithfully represent the shareholders, who made Synergy

portfolio of SERVICES

serving the **COMMUNITY**

GIVING BACK

Synergy Bank employees live and work in the neighborhoods that surround our offices and we believe in helping our friends and neighbors fulfill their financial dreams. We recognize that by supporting nonprofit, civic and educational organizations in our areas, we are building stronger communities for our families.

During 2018, Synergy Bank donated to over 60 community organizations including United Way, The Haven, Terrebonne Foundation for Academic Excellence, Lafourche and Terrebonne Chambers of Commerce, Nicholls State University, and Fletcher Technical Community College. At the end of the year, Synergy launched the Spirit of Synergy Facebook campaign, donating to several charities in the area. Most notably were the \$2500 donation to the Lafourche and Terrebonne Parish Foodbanks to help feed families during the holiday season and those affected by the government shutdown. •

SERVICE

Synergy Bank's employees are committed to volunteering their time and expertise to numerous community and civic organizations in the areas we serve. Ranging from serving on Chamber committees to teaching financial literacy in schools, Synergy's employees ongoing advocacy have served the community well. They have represented the Bank and donated hundreds of hours of their time and expertise reaffirming Synergy's mission of giving back to our community.

Many of Synergy's programs focus on the children of our community. Each year, Synergy Bank sponsors the Annual Kid's Day at the Houma Terrebonne Civic Center, where our volunteers bring fun interactive activities for the children. Another is Lemonade Day, where we encourage and teach young entrepreneurs about owning their own business. Our most notable program, however, is our Partners in Education program, where employees visit six local schools monthly to teach financial literacy. Hundreds of students benefit from the program with discussions that include: how to make a budget, prudent spending and the importance of savings. •

Synergy Services A division of synergy bank

Synergy Investment Services enjoyed another year of gaining new client relationships, growing revenues and increasing assets under management.

LPL Program Manager and Financial Advisor Ann Summers has a primary focus of working with individuals as they near one of life's most exciting milestones, retirement! Investors benefit by working with a professional advisor whose skills will provide guidance on portfolio construction, generating income and knowing how and when to draw those assets strategically for tax efficiency. Advisors also provide guidance through challenging market conditions as well.

For more information or to schedule a consultation with Ann, call today at 985-851-5459. •
