

## Report a Lost or Stolen Card

From the Navigation Menu, click **Manage Cards**. Select the card that was lost or stolen.

From the Edit Card screen, click 'Report Lost or Stolen Card.' Click 'Report Card Lost / Stolen' at the bottom of the Lost or Stolen Card pop-up. Once clicked, your card will be restricted. Call Synergy Bank at 985-851-2217 to order another card at your earliest convenience.

Note: If you think your card may only be temporarily lost, you can turn your debit card off while attempting to locate it. For instructions on turning your debit card off, see [Managing Your Debit Card](#) on the Online Services webpage.
