

PENNY'S CORNER

HI, MY FRIENDS!

It's been a long time since we've seen each other! I hope you are all safe after all that bad weather. I didn't think it would ever stop raining! I am glad to see the sun shining!

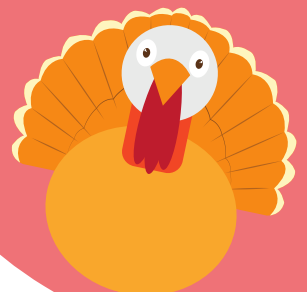

You may have noticed our town looks a little different lately. Don't worry, things will get back to normal soon thanks to our community helpers! Can you spot our community helpers? They are our policemen, fire fighters, trash collectors, and even our very own neighbors who are working every day to help fix our homes, schools, and businesses. What a beautiful sight! If you see community helpers, remember to thank them for their hard work!

Have you thought about how you could help someone lately? Can you help your parents by cleaning your room or watching your little sister or brother? Do you have extra school supplies you can share with a classmate? Remember, one great way to help is by offering a smile and kindness every day!
