

PENNY'S CORNER

HELLO, FRIENDS!

Spring is in the air! I love this time of year because I enjoy flying around my neighborhood smelling flowers and feeling the breeze in my feathers!

Spring is also a great time to earn money with a lemonade stand. Have you ever had a lemonade stand? It's hard work owning your own business, but it's also a lot of fun. With a lemonade stand, you can test out your favorite recipes, sell to your family and neighbors, and earn money! Once you earn money, you can decide what you'd like to do with your money. I suggest spending a little, saving a little, and sharing a little with a cause you care about. For example, if you love animals, you can donate a little of your earnings to a local animal shelter.

Synergy Bank is hosting Lemonade Day on May 7. Visit our site with an adult at [SynergyBank.com/Lemonade](https://www.synergybank.com/Lemonade) to learn more and sign up for a free lemonade stand starter kit!
