

PENNY'S CORNER

HELLO, FRIENDS!

It's me, Penny D. Pelican, flying by to wish you a great start to the school year! I love this time of year — fresh notebooks, sharpened pencils, and so many new things to learn.

Did you know that being smart with money is just like learning in school? Both take practice! When I was your age, I used to spend all my coins at the snack stand. But then, I realized if I saved a little bit each week, I could buy something even bigger that I really wanted. That's when I discovered the power of saving!

Here's my tip for you: every time you get money — whether it's from allowance, chores, or a gift — put some aside in a safe place like a piggy bank or a savings account at the bank. Even a few coins add up fast! You'll be amazed at how quickly your savings can grow.

Saving money is also about making smart choices. Every time you choose to save instead of spend, you're making a smart choice for the future. The more you practice, the more money you can save. And those good choices will lead you to even bigger goals in the future — like getting a new bike or planning a fun adventure!

I can't wait to see all the amazing things you'll do this year!

**SEE YOU SOON,
PENNY D. PELICAN**

MONEY MOVES

Who can get to Synergy Bank the fastest?

WHAT YOU'LL NEED

- 2 or more players
- 1 die (dice)
- 1 token for each player (This can be a coin or a game piece from another board game.)

HOW TO PLAY

Place tokens on the space marked START. The player whose birthday is up next goes first.

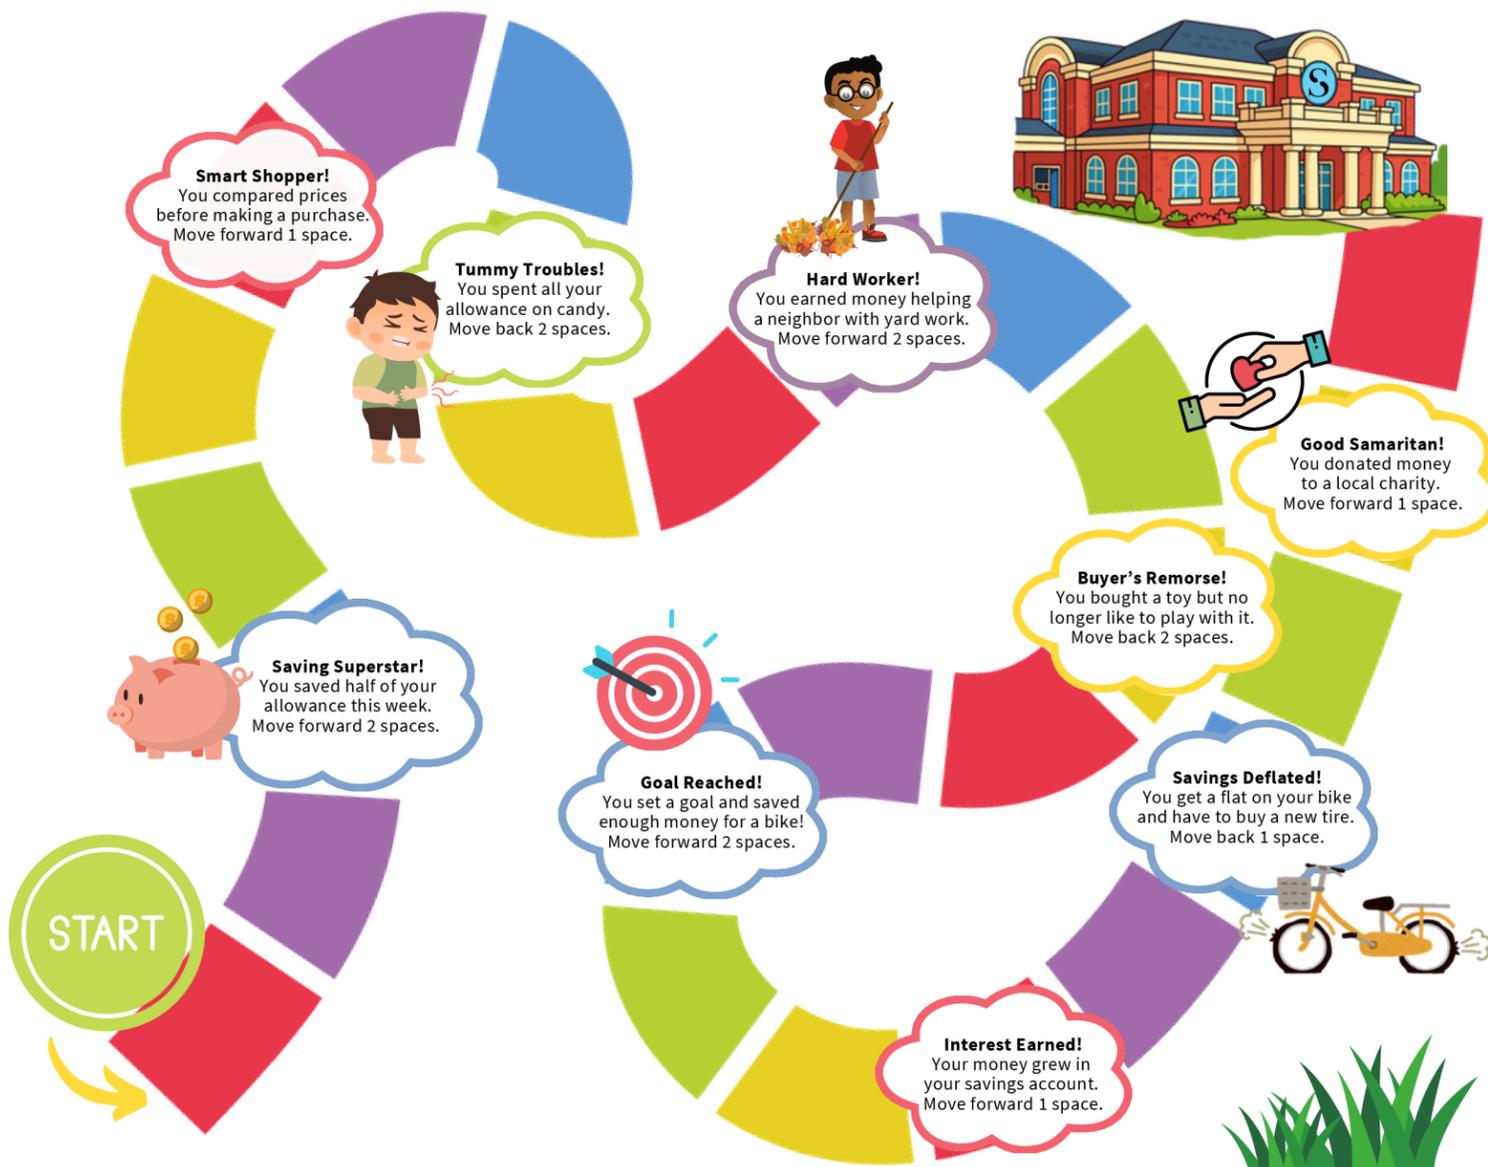

Roll the die and move the number of spaces shown. If you land on a space with text, read aloud and follow instructions. The next player then takes their turn.

HOW TO WIN

The first player to reach Synergy Bank is the winner!
